

# ONE

**ONE** Idea. **ONE** Building. **ONE** Community. **ONE HAWORTH CENTER**

**Sustainability.** One Haworth Center incorporates everything Haworth has learned about environmental stewardship to create a healthy, cost effective environment that showcases the company's organic workspace solutions. The project is registered for LEED-NC (New Construction) Gold certification. Haworth's HQ renovation epitomizes a step-by-step "how-to" on the challenges and rewards of pursuing LEED certification. Experience what sustainability means as Haworth builds it into every aspect of their organization. Visit [www.organicworkspaces.com](http://www.organicworkspaces.com) to learn more about One Haworth Center.

This is more than a new space featuring new design, it's a whole new way of thinking. We'll be pulling back the curtains, opening the doors, and unveiling the new Haworth headquarters in Holland to a select audience on:

**Thursday, December 6th from 5:00 to 8:00 pm.**

**Please RSVP**

If you plan to attend, please RSVP as only respondents who received an invitation directly from Haworth will be on the guest list.
